ProStructure PMC Pvt Ltd

A series of approximately 15 parallel blue diagonal lines extending from the bottom left towards the bottom right of the slide.

ABOUT COMPANY

****ProStructure - Your Construction Management Partner****

At ****ProStructure****, we go beyond construction; we craft legacies. Founded by seasoned experts ****Mr. Khushal Patodia****, we specialise in turning dreams into reality. With expertise in structural engineering, project management, and cutting-edge solutions, we're your dedicated Construction Project Management Consultancy (PMC).

Our hallmark is precision and innovation, consistently delivering projects on time and within budget. When you choose ProStructure, you choose a partner committed to excellence, transforming ideas into enduring structures that stand the test of time.

****Building Excellence, Shaping the Future****

VISION

At ****ProStructure****, our vision is to lead the way in construction and project management. We aim to redefine industry standards through precision, innovation, and timely delivery. We don't just build structures; we shape the future.

ABOUT THE DIRECTOR

Khushal Patodia, Co-Founder of ProStructure, is a seasoned project management and engineering professional with deep expertise in planning, execution, and delivery of complex construction and industrial projects. He specializes in project scheduling, cost control, quality assurance, risk management, and coordination across multidisciplinary teams. With a strong technical foundation and a process-driven approach, Khushal ensures seamless project execution, adherence to statutory standards, and optimization of time and resources. His strategic acumen and hands-on involvement consistently drive engineering excellence, delivering innovative, practical, and value-driven solutions that surpass client expectations.
